Please advise Carrier numbers for tracking as they have yet NOT arrived and should have left March 12th.

Or are you still waiting for something. This is growing tiresome. I am starting to believe your other customers and why they have cut you off.

Do you want to do business or not. As at this juncture I almost have a case to have you return ALL my funds and you will get all your product back.

Please advise.

S.J. (Hans) de Wit
