This is just to document the confirmation of our phone conversation today march 25, 2008. Short as it was - you stated that you are moving and you will return my call by the end of the day.

Your message below stated that you were shipping. All I have been asking for is the confirmation of the shipping numbers. A 2 week delay of stating that the order is ready but just needs to be shipped is unbelievable.

Please confirm shipping as previously promised.

Thanks
 S.J. (Hans) de Wit.
