As per our conversation of April 4, 2008 and the below follow-up, it has been a week, and I have heard nothing from you. Please advise the status. You had stated that if the material had not been shipped you would return all of our monies. Please advise the status of either the shipment or the return cheque.

I will admit that having spent 4 months tracing an order and getting a series of conflicting information, I really have a tough time believing that a cheque would be forthcoming in any real time either. Please also advise, if I am wasting my time and if I should just have our legal department look after it from here.

Thanks  
S.J. (Hans) de Wit.
