Subject: Regarding the www.rollabind.ca website ADDRESS

Jack,

As per our conversation this AM.

As to the website designation known as www.rollabind.ca . This website is owned and operated by www.printer.ca (Canadian-Printers.ca Inc. / dwk Inc) and will be run strictly as a sales & marketing tool and point of sale for the rollabind product line and accessory products. The Accessory Products can either be purchased or developed by Canadian-Printers.ca. This is NOT a Rollabind website, but products around the Rollabind system which include: discs, binders, paper, equipment etc.

At a point in time - if Canadian-Printers.ca Inc or its subsidiaries determine that we no longer wish to do business and terminate the relationship with Rollabind US, we will relinquish the web address and transfer it to the US. This transaction would then take place when all inventories have been depleted and the termination is final. This would also be a NO Cost transfer of the Web Address. Please note that this is the Web Address ONLY - NOT the actual website which is proprietary to Canadian-Printers.ca Inc.

Please note that this does NOT apply if and/or when Rollabind determines that they wish to terminate the relationship. If any working arrangement termination is instigated by Rollabind US and agreed to by Canadian-Printers.ca Inc (dwk Inc), then the website address will be made available and the pricing of the address would be determined at that time. Please note that this is the Web Address ONLY - NOT the actual website which is proprietary to Canadian-Printers.ca Inc.

Thanks
S.J. (Hans) de Wit
President - Canadian-Printers.ca Inc, dwk Inc.
